1. Historic Mural Restoration Correspondence Follow-Up – Hailey Wright (10 minutes)

Hailey invited committee member Louise Parkes to recent correspondence regarding mural restoration for a historic art piece downtown. The committee considered how the scope of this correspondence aligns with similar values to incorporate into the Plan 20Thirty action plan.

2. Public Consultation Follow-Up – Hailey Wright (30 minutes)

Hailey presented the public consultation framework and the adjusted scope and schedule of the public consultation survey campaign. Additions were made to encompass recommendations from the committee to include expanded opportunities to comment on culture and atmosphere of the downtown. A final copy of the survey questions will be distributed to committee members.

3. Action Plan Revisions – Round Table (60 minutes)

The committee discussed the role of art within the downtown community and the need for restoration of historical art downtown. Various opinions were brought forward to address how historic art plays a role in the continued revitalization of the downtown and opportunities were highlighted to bring a positive atmosphere to downtown Oshawa through art and history.
