1. Community Engagement Findings; Validation, Adjustments and Recommendations – Hailey Wright (45 minutes)

A high-level overview was shared with the committee presenting the results from the recently completed community engagement survey. Key takeaways from the survey results were shared to inform the committee of core demographics that this survey attracted. A series of comments that were made in the survey validated the work completed by the committee to date and provided areas of opportunity to refine the vision statement and other areas of the action plan.

2. Action Plan Draft Feedback – All (65 minutes)

The committee provided various feedback for the draft action plan to be considered in the next revisions of the plan.

3. Updates, Next Steps and Report Development – Hailey Wright (10 minutes)

Director Wright gave an overview of next steps that the committee can expect to see in the coming weeks as the plan and report is refined and finalized. A second draft of the plan will be circulated to the committee before finalizing and the report is delivered to council.

4. Action Items

- Director Wright to make adjustments to the vision statement to reflect public consultation remarks and circulate to the committee.
- Inclusions for exploration of noise reduction in the downtown will be considered by Director Wright to include in edits.
- Director Wright to circulate second draft of the action plan.

5. Adjournment

Meeting was adjourned at 4:46 PM
