Dear Mayor Henry:

Re: Ethanol Refinery

Thank you for the opportunity to comment on the ethanol refinery that is being proposed in Oshawa.

At this time, I would advise of my support for the proposed refinery, and suggest that discussion take place and consideration be given to locating this refinery in the Township of Brock.

The Township of Brock is an agricultural community and the proposed ethanol refinery would be a complimentary agriculturally related use within the boundaries of Brock Township.

I look forward to speaking further with you in this regard.

Yours truly,

THE TOWNSHIP OF BROCK

W. Terry Clayton
Mayor
