1. Introduction

Advisory Committees provide recommendations and advice to City staff and Council. Such bodies play an important part in the corporate decision-making process by providing a means to receive the views and advice from residents on a variety of matters that contribute to the development of policies, programs and initiatives that enhance the municipality's quality of life.

These Committees, both statutory and non-statutory, allow local residents from various backgrounds to participate in local government. The City can benefit greatly from citizen volunteer experience, enthusiasm and civic pride.

Advisory committees report to Council through the Standing Committee process and the nature of advisory committee recommendations to Council is purely advisory, not advocacy.

2. Purpose and Application

- Requirements under the Municipal Freedom of Information and Protection of Privacy Act;
- Operating procedures;
- Rules of Debate;
- Reporting requirements;
- Media Relations;
- Financial Requirements; and,
- Member Code of Conduct.

Advisory Committees will be compliant with this Policy, which respects Council's Procedure By-law 111-2017 regarding meeting process. The Procedure By-law may be referenced directly through City Clerk Services should further clarification on meeting process be required. Changes or clarifications of policy or procedure will be reflected in updates to the Policy, which may be supplemented by guidelines and training materials, as appropriate, by the City Clerk.
