

Adjacent Property Owner Consent

To help businesses impacted by COVID-19, the City of Oshawa is launching the Temporary Expedited Patio Program, a free permit which will allow businesses to use sidewalk, road, and parking spaces as temporary patios from April 1, 2021 – November 15, 2021. The Applicant has requested a temporary patio to be placed in front of your business on the curbside (parking spot) or on the sidewalk. This form confirms your consent as an adjacent property owner or tenant to have your neighbour use the space in front of your premises.

Please Print:

I, _____ (**Adjacent Property Owner/Tenant**), the adjacent property owner or adjacent tenant, give my consent to the City of Oshawa and to the adjacent business _____ (**Applicant Name**) consent to use the public property located in front of _____ (**Adjacent Property**) to operate a patio during the Applicant's business hours. I understand and accept that this may impact parking, traffic, and pedestrian flow in front of my property.
