

Notice of Public Information Centre #1
Municipal Class Environmental Assessment Study
Stevenson Rd. N. Corridor, Northwood Business Park
City of Oshawa
June 8, 2023

Project Overview

The City of Oshawa is undertaking a Municipal Class Environmental Assessment Study (M.C.E.A.) to determine appropriate upgrades to the Stevenson Rd. N. corridor from Taunton Rd. W. to Conlin Rd. W. The project will also review the need for a proposed east-west Type 'C' Arterial road in the Northwood Industrial Area (from the Oshawa/Whitby border to Stevenson Rd. N.).

Currently, Stevenson Rd. N. is a two-lane rural north-south road, with no paved shoulders or sidewalks. There is an opportunity to significantly improve the overall function of Stevenson Rd. N. by upgrading the roadway infrastructure and municipal services to contribute to the development of adjacent lands and advance economic and job creation opportunities for the City.

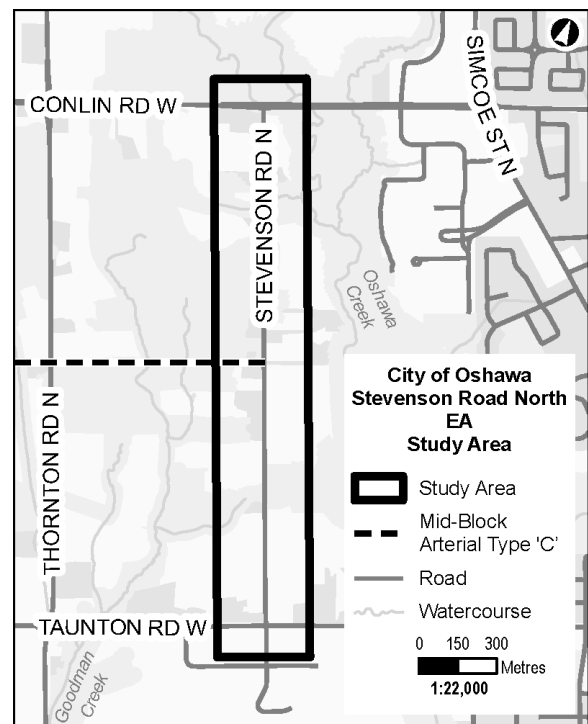

Process

The Study is being completed in accordance with the *Municipal Class Environmental Assessment (2023)* as a Schedule 'C' project. The Study will consider a transportation strategy that will adequately address connectivity among all modes of transportation, road safety and traffic capacity. The purpose of this Notice is to advise area residents, businesses, and agencies of the upcoming Public Information Centre (P.I.C.).

Public Consultation

The P.I.C. will present the Study process, existing conditions, the evaluation of alternatives solutions and the next steps in the Study. The P.I.C. is scheduled for:

Date: Thursday, June 22, 2023
Time: 6 p.m. to 8 p.m.
Location: The Embassy Church
(North-East Conference Room)
416 Taunton Rd. W., Oshawa, ON

Key Map of the Study Area

Information related to the Study will be available for review on the City's website at Oshawa.ca/StevensonEA. If you would like to be added to the Study contact list or if you have any questions or concerns, please contact:
