

Notice of Public Information Centre #2
Municipal Class Environmental Assessment Study
Stevenson Road North Corridor, Northwood Business Park
City of Oshawa
June 3, 2024

Project Overview

The City of Oshawa is undertaking a Municipal Class Environmental Assessment Study (M.C.E.A.) to determine appropriate upgrades to the Stevenson Road North corridor from Taunton Road West to Conlin Road West.

Currently, Stevenson Road North is a two-lane rural north-south road, with no paved shoulders or sidewalks. There is an opportunity to significantly improve the overall function of Stevenson Road North by upgrading the roadway infrastructure and municipal services to contribute to the development of adjacent lands and advance economic and job creation opportunities for the City.

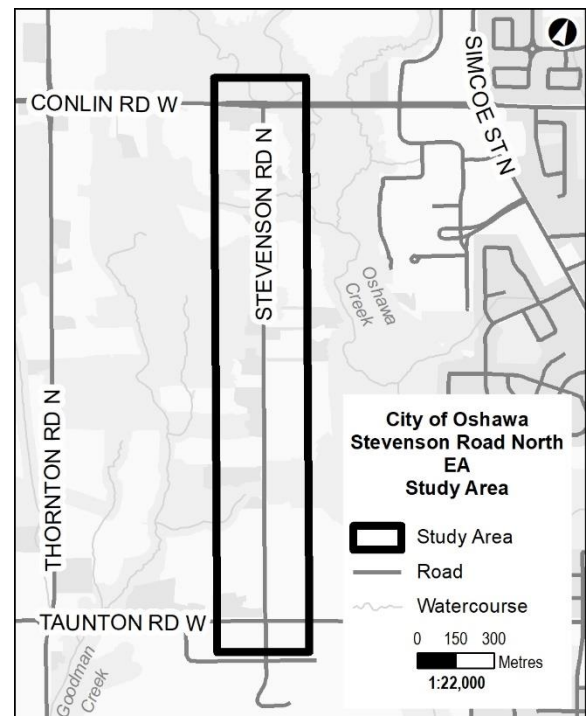

Process

The Study is being completed in accordance with the *Municipal Class Environmental Assessment (2023)* as a Schedule 'C' project. The Study will consider a transportation strategy that will adequately address connectivity among all modes of transportation, road safety and traffic capacity. The purpose of this Notice is to advise area residents, businesses, and agencies of the upcoming second Public Information Centre (P.I.C.).

Public Consultation

This second P.I.C. will present a summary of the first P.I.C. held on June 22, 2023, the development and evaluation of alternative design concepts for the preferred solution, the technically preferred design concept, and the next steps in the Study. This second P.I.C. is scheduled for:

Date: Tuesday, June 18, 2024
Time: 6:00 pm – 8:00 pm
Location: The Embassy Church (Family Center Auditorium)
416 Taunton Rd. W, Oshawa, ON

Key Map of the Study Area

Information related to the Study will be available for review on the City's website at Oshawa.ca/StevensonEA. If you would like to be added to the Study contact list or if you have any questions or concerns, please contact:
