Independent Auditor's Report

To the Candidate of the Brian Nicholson Councillor Campaign:

Qualified Opinion

We have audited the Financial Statement – Auditor's Report Candidate - Form 4 (the "financial statement") of the Brian Nicholson Councillor Campaign (the "Campaign") for the campaign period May 02, 2022 to January 3, 2023.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statement is prepared, in all material respects, in accordance with the financial reporting provisions of Section 88.25 of the *Municipal Elections Act, 1996*.

Basis for Qualified Opinion

Due to the inherent nature of the transactions of municipal election campaigns, the completeness of the various categories of income and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of income and expenses was limited to the amounts recorded in the records of the candidate and we are unable to determine whether there may be adjustments to income and expenses and period surplus/deficit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the audit of the financial statement* section of our report. We are independent of the Campaign in accordance with the ethical requirements that are relevant to our audit of the financial statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Use

The financial statement is prepared to assist the Campaign in complying with the financial reporting provisions of Section 88.25 of the *Municipal Elections Act, 1996.* As a result, the financial statement may not be suitable for another purpose. Our report is intended solely for the Campaign, the City of Oshawa, and the Ontario Ministry of Municipal Affairs and Housing. This report should not be distributed to or used by parties other than the Brian Nicholson Councillor Campaign, the City of Oshawa, or the Ontario Ministry of Municipal Affairs and Housing. Our opinion is not modified in respect of this matter.

Responsibilities of the Candidate for the Financial Statement

The Candidate is responsible for the preparation of the financial statement in accordance with Section 88.25 the *Municipal Elections Act, 1996*, and for such internal control as the Candidate determines is necessary to enable the preparation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Campaign's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Candidate.

We communicate with the Candidate regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
