

# Application for Site Plan Approval and Site Plan Agreement or Amendment to Site Plan Agreement Information and Instructions

## Detach and retain Information and Instructions for future reference.

### Pre-Consultation

Prior to the submission of this application, it is recommended that you complete a pre-consultation for the proposal. City Staff will determine the plans, reports and documents required to be submitted with this application for it to be considered a complete application. The request for a pre-consultation shall be made through the [Oshawa Application Portal](#).

For information regarding Site Plan Control please see the City of Oshawa website at <https://www.oshawa.ca/business-development/planning-and-development/development-applications>.

If you have questions about the application or process, or want to speak with staff before applying, you can contact Planning Services by email at [planning@oshawa.ca](mailto:planning@oshawa.ca), by phone at 905-436-3853, or visit in person at City Hall, 50 Centre Street South, Oshawa.

- Minimum Distance Separation 1 – Data Sheet (see Section 10).
- Two (2) copies of the Ontario Building Code Information Sheet (one for each building) which is attached to this application must be completed, if applicable.
- Two (2) copies and a digital copy of any document, plan or study not specifically mentioned above.

### **General Requirements for All Plans**

#### **Note: All dimensions are to be in metric.**

- Plans are required to be drawn in one of the following metric scales - 1:100, 1:200, 1:300, 1:400 or 1:500.
- The standard drawing sheet sizes to be used for plans 11" x 17" or 24" x 36" or 36" x 48".
- **All plans are required to be folded (not rolled) to legal size (8½" x 14") with the title block visible in the lower right hand corner of the drawing sheet.**
- If all of the required information can be shown clearly and legibly on a single sheet, this is acceptable. If not, it is required that more than one sheet be prepared to show the required information (i.e. a site plan, a grading plan, a servicing plan).
- Elevations indicating lot grading shall be to the nearest centimetre. All other elevations shall be to the nearest millimetre. All elevations shall be based on the Oshawa Geodetic Bench Mark System and the number of the bench mark shall be indicated.
- All abbreviations and symbols shall be in accordance with City of Oshawa standards, which can be obtained from Engineering Services in the Development Services Department.

#### **General Information Required on Plan:**

- Title block including project title or proposed use of building, project address or location, owner's/developer's name and address, agent's name and address, north arrow, scale, date of issue of drawing, title project (job) number, drawing number and revisions suffix and designer's name, address, telephone number and professional seal.

- Key plan to identify the site in relation to the street plan in the surrounding area.
- Reference to an up-to-date plan of survey.
- Legal description of subject property (lot number and registered plan number).
- The location, width and name of any roads within or abutting the Subject Lands, indicating whether it is an unopened road allowance, a public traveled road, a private road or a right-of-way.
- Reference to the nearest intersecting street(s).
- Location and dimensions of existing natural and manmade features on the property and on the adjacent properties and road allowance within a minimum of 15 metres of the subject property such as buildings, easements, underground services, overhead services, water courses, trees, driveways, driveway openings, catchbasins and manholes, fences, fire hydrants, street furniture, barriers, free-standing signs, and electrical transformers.
- Building entrances and exit doors.
- Future street widening.
- The identification, location, size, height, floor area and type of all existing and proposed buildings and structures on the Subject Lands, indicating their distance from all lot lines.
- Location and dimensions of all parking spaces (including accessible parking spaces), loading spaces, aisles and driveways.
- Location and details of existing and proposed refuse collection facilities.
- Extent and details of paved areas.
- Extent and details of sodded and landscaped areas in accordance with the City's "Landscaping Design Policies".
- Location and details of all existing vegetation to be removed or to be retained.
- Location and type of lighting and proposed electrical transformers.
- Location of road intersections and driveways across the street and adjacent to the subject property.
- Location of proposed firewalls (if any).
- Location of Fire Department connection(s), if any, and the nearest fire hydrants.
- Centreline turning radius and width of Fire Department access routes.
- Location, length and exposed height of retaining walls including height and type of guards at top (retaining walls higher than 1.0 metres will require a P.Eng. stamp during the Building Permit application process).
- Location, width and gradient of barrier-free access to the entrance story.
- The location and extent of easements, rights-of-way, restrictive covenants, etc., on the subject property; a note on the plan must explain the nature of the encumbrance.
- The location and extent of any easements, rights-of-way or other rights over adjacent properties (i.e. mutual drives); a note on the plan must explain the nature of the encumbrance.
- Location of any and all internal sidewalks and pedestrian facilities, including connections to public sidewalks.

**Data Required on Site Plans:**

- Lot area (gross and net).
- Paved area and any gravelled area (m<sup>2</sup> and %).
- Landscaped area (m<sup>2</sup> and %).
- Building area coverage (m<sup>2</sup> and %).
- Gross floor area and gross leasable area by type of use calculated in accordance with the definitions in Zoning By-law 60-94.
- Number of stories above and below grade. Identify stories below grade as basement or cellar as defined in Zoning By-law 60-94.
- Required and proposed building setbacks
- Number of dwelling units and total unit count by bedroom type.
- Number of parking and loading spaces required and proposed.
- Number and width of barrier-free parking spaces (By-law 79-99).
- Area of road widening, if required.
- Usable floor area of dwelling units by unit type (each one bedroom model, each two bedroom model, etc.).
- Building height above grade per height definition in Zoning By-law 60-94.
- Building height above sea level.
- Location of any openings in walls located less than 1.2 metres from interior property lines.
- Any other zoning regulation applicable to the subject development

**Data Required on Site Servicing and Grading Plans:**

- Engineers stamp required on all civil drawing(s).
- Existing and proposed lot grading (including parking lots, driveways, grassed areas, walkways, etc.) indicating direction of surface flow.
- Location of roof-water leader outfalls.
- Rim and invert elevations of proposed manholes and catchbasins.
- Size, length, location, grade, material and bedding of all proposed storm sewers and catchbasin connections.
- Invert of proposed storm sewer connection at the property line.
- Invert of proposed storm sewer connection and main at the point of connection to the main.
- Location, size, length and grade of any existing storm sewer connections if they are still to be utilized.
- Storm sewer design calculations for all proposals of 0.4 hectares or greater.
- Location and details of any erosion control works required.

- The following note is to be included on any grading plan where a site is required to have erosion control measures in the City's opinion: "All erosion control works must be implemented prior to any work being undertaken on the site".
- The following note is to be included on all servicing and grading plans: This approval is subject to the following conditions:
  - The owner shall be responsible for the cost of relocating, restoring and repairing any utilities and other underground services, resulting from installation of any proposed storm sewer connection.
  - Any deviation from the approved plan with respect to grading or storm drainage system shall nullify this approval and require submission of revised plan for approval.
  - The owner must obtain City of Oshawa approval for the location of any proposed utilities or services within any City road allowance.
  - The owner must obtain the approval of the utility authority for any proposed utility extension or service connection.
- Basement (or lowest) floor elevations.
- Invert of proposed connection at the face of the building and at the property line.
- Invert of proposed connection and main at the point of connection to the main.
- Location, size, length, grade, material and bedding of all sanitary sewers and connections.
- Rim and invert elevations of proposed manholes.
- Sanitary sewer design calculations.

**Additional Information Required Related to Road Allowances Adjacent to Site:**

- Location, length, size and grade of existing and/or proposed sewer and water mains, including invert and rim elevations of manholes.
- Final crown line grade and elevation of road (may be existing or proposed).
- Elevations at the back edge of existing sidewalks or, if there is no existing sidewalk, the elevations of existing ground at the back edge of future sidewalk and the elevations of the future sidewalk.
- Location and elevations of existing or future curb and gutters. If curb and gutters are not existing, the elevations at the edge of the existing traveled road.
- Location of all existing above and below ground utility installations, including the size of pipes or conduits.
- Location and size of existing and/or proposed driveway openings.
- Location, size and species of existing street trees.

- (a) 1,000 trees per hectare (400 trees/ac.) of any size;
- (b) 750 trees per hectare (300 trees/ac.) which measure more than 5 centimetres (2 in.) in diameter;

- (c) 500 trees per hectare (200 trees/ac.) which measure more than 12 centimetres (4.7 in.) in diameter; or
- (d) 250 trees per hectare (100 trees/ac.) which measure more than 20 centimetres (8 in.) in diameter.

For further information on “woodlots”, refer to the Regional Municipality of Durham’s Tree Conservation By-law 30-2020 and any amendments thereto.

## **12. Acknowledgements and Affidavit or Sworn Declaration**

### **Applicant’s Acknowledgements**

1. If the information and materials submitted by the applicant contains third party information as defined in Section 10(1) of the *Municipal Freedom of Information and Protection of Privacy Act*, RSO 1990, c M.56, as amended from time to time, the applicant shall specifically identify such information to the City of Oshawa at the time of submission and the applicant shall provide support for its position that such information comprises third party information, however, the identification and support evidence for such a position will not necessarily result in the withholding of the information or material from public disclosure. The applicant’s failure to identify any third party information and provide support for its position with respect to the same will result in the full disclosure of the information or material to the public.
2. Personal information on this form is collected under the authority of the *Planning Act* and will be used to determine compliance with City of Oshawa by-laws.
3. Plans submitted in conjunction with this application are not reviewed for compliance with the *Ontario Building Code* (OBC) and related regulations. It is the responsibility of the Registered Owner/agent and designer to ensure that all plans submitted with this application comply with the basic requirements of the OBC. If you need assistance in determining whether your plans comply with the OBC, contact Building Services, City Hall, 50 Centre Street South, 1st Floor, by telephone at (905) 436-5658 or by email at [buildings@oshawa.ca](mailto:buildings@oshawa.ca).
4. A detailed review of the O.B.C. does not apply to the architectural floor plans provided with this application. Further O.B.C. comments concerning the architectural floor plans should be expected during the future review of building permit plans. The O.B.C. review of this application is limited to building siting, architectural elevations, plumbing relating to site servicing and interior building aspects that have the ability to change site design (i.e. building exiting, internal refuse rooms, barrier-free entrance).
5. The applicant acknowledges that the [City's File Closure Policy](#) dated March 1, 2013, is in effect and shall apply to this application. This policy is located on the City’s website for information.
6. The applicant acknowledges that the [City's Policy for the Collection of Outstanding City Taxes](#) dated April 29, 2013, is in effect and shall apply to this application. This policy is located on the City’s website for information.
7. All vegetation, including that not within a defined woodlot, must be maintained during the processing of the application.
8. No regrading is permitted on site during the processing of the application.
9. Applicants and agents are advised that there may be additional approvals (i.e. building permit, etc.) and additional fees and charges (i.e. building permit fees, parkland dedication fees, development charges) associated with any development approved in conjunction with this application.

**Applicant's Acknowledgements**

10. Applicants and agents may be required to provide additional information that will assist the City in assessing the application. Applicants and agents acknowledge that the City may not be able to process the application unless the additional information is submitted.
11. The undersigned confirms that the Applicant/Registered Owner/Agent all acknowledge that projects requiring site plan approval cannot obtain any building permit until clearance from the Site Plan Approval Review Committee is provided.
12. The applicant is required to produce and provide alternate formats of all plans, drawings and reports, if necessary, in a timely manner at no additional cost, as per the *Accessibility for Ontarians with Disability Act 2005, Ont. Reg. 429/07 (A.O.D.A.)*.
13. Plans submitted in conjunction with this application are not reviewed for compliance with the A.O.D.A. and related regulations. It is the responsibility of the Registered Owner/agent and designer to ensure that all plans submitted with this application comply with the basic requirements of the A.O.D.A.

I, \_\_\_\_\_ of the \_\_\_\_\_

## Screening Questionnaire for Identifying Potentially Contaminated Sites

This questionnaire has been developed to assist the City of Oshawa in identifying development applications on sites that may be contaminated as a result of a previous use or activity. The Ministry of the Environment, Conservation and Parks (MECP) has developed a "[Guideline for Use at Contaminated Sites in Ontario \(February 1997\)](#)" that outlines the process recommended for the restoration and clean-up of contaminated sites. Applicants on sites that may be contaminated will be required to demonstrate to the satisfaction of the City that they have addressed this Guideline.

This questionnaire is not required to be completed if a Phase 1 or Phase 2 Environmental Site Assessment (ESA), Remedial Work Plan (RWP) or Record of Site Condition (RSC) in accordance with the MECP's Guideline has been provided to the City of Oshawa.

### 1. Details of Subject Lands

<b>Location and Description</b>		
Landowner Name		
Mailing Address (Street Number and Street Name)		
Location of Subject Lands (Street Number and Name of Street)		
Lot(s)	Concession(s)	Former Twp.
Registered 40M Plan Number	Lot(s)/Block(s)	Registered 40R Plan Number

### 2. Current Use of the Property

What is the current use of the property? (Check the appropriate uses(s)):

Category 1:  Industrial  Commercial  Community

Category 2:  Residential  Institutional  Parkland

Category 3:  Agricultural  Other

**Note:** daycare facilities and a property that contains a religious building(s) are considered institutional uses. See [Ontario Regulation 153/04](#), as amended, for definitions.

### 3. Previous Use of Subject Site

Questions	Yes	No
Does this development proposal require a change in property use that is prescribed under the <a href="#">Environmental Protection Act</a> and <a href="#">O.Reg. 153/04</a> (e.g. a change to a more sensitive use from Category 1 to 2; 2 to 3; or 1 to 3 as identified above)?	<input type="checkbox"/>	<input type="checkbox"/>
If yes, a Record of Site Condition must be filed on the Provincial Environmental Site Registry.		
Has the property or any adjacent lands ever been used as an Enhanced Investigation Property (e.g. industrial uses; chemical warehousing; automotive repair garage; bulk liquid dispensing facility, including a gasoline outlet and/or a dry-cleaning equipment)?	<input type="checkbox"/>	<input type="checkbox"/>
Has fill (earth materials used to fill in holes) ever been placed on the property?	<input type="checkbox"/>	<input type="checkbox"/>
Is the property or any adjacent lands identified as a wellhead protection zone?  (Please review the <a href="#">Ministry of the Environment, Conservation and Parks Source Protection Information Atlas</a> to confirm).	<input type="checkbox"/>	<input type="checkbox"/>
Is the property within 250 metres from an active or decommissioned landfill/dump, waste transfer station or Polychlorinated Biphenyl (PCB) storage site?	<input type="checkbox"/>	<input type="checkbox"/>
Has the property ever stored/generated/accepted hazardous materials requiring Hazardous Waste Information Network (HWIN) registration or other permits?	<input type="checkbox"/>	<input type="checkbox"/>
Does the subject lands or lands abutting it previously or currently support one or more of the Potentially Contaminating Activities identified in <a href="#">Table 2 of Schedule D of O.Reg 153/04</a> , as amended?	<input type="checkbox"/>	<input type="checkbox"/>

**Note:** If the answer is “Yes” to any question above, a Phase One ESA (and possibly a Phase Two ESA) at a minimum prepared in accordance with O.Reg. 153/04, is required. Please submit two hard copies and a digital copy of the Phase One and/or a Phase Two ESA that satisfies the requirements of O.Reg 153/04, as amended.

The City must be granted third party reliance on all ESA work through the completion of its Reliance Letter and Certificate of Insurance. City third-party reliance is not required if a Record of Site Condition is filed on the Environmental Site Registry for the proposed property use and/or the Ministry of the Environment, Conservation and Parks (MECP) issues a notice of a Certificate of Property Use where applicable.

**Note:** The City may scope the Environmental Site Assessment requirements for minor development proposals on Enhanced Investigation Properties (e.g. accessory structures) or determine if additional environmental work is required.

**4. Declarations**

This form must be completed and signed by both a Qualified Person and the property Owner(s) or Authorized Agent for all development applications made under the Planning Act and reviewed by the City of Oshawa Planning Department.

A Qualified Person sign-off may be waived by the City for minor variances; and/or applications where site contamination was recently addressed by a related planning application.

For a full list of Qualified Person exemptions, please see [Appendix B of the Regional Municipality of Durham's Soil and Groundwater Assessment Protocol](#). Where a Qualified Person sign-off is required on this form, the completion of a Regional Reliance Letter and Certificate of Insurance may be waived.

To the best of my knowledge, the information provided in this questionnaire is true, and I do not have any reason to believe that the subject property contains contaminants at a level that would interfere with the proposed property use.

I am a Qualified Person in accordance with Ontario Regulation 153/04 and carry the required liability insurance in accordance with [Appendix F of the Regional Municipality of Durham's Soil and Groundwater Assessment Protocol](#).
