Business Licensing By-law Definitions

Designated Driving Services

means

means the transportation of a Registered Motor Vehicle Owner and that Person's passengers, if any, in the Registered Motor Vehicle Owner's Vehicle from any place in the City to any other place for payment of a salary, fee or for any other consideration; (87-2017)

Designated Driver

means

- a) any Person who operates a Motor Vehicle owned by another Registered Motor Vehicle Owner for the purposes of providing Designated Driving Services; or
- b) any Person who operates a Designated Driver Support Vehicle,

but does not include a "Driver" while operating a "Taxicab" as those two terms are defined by the City's Taxicab Licensing By-law. (111-2015)

Designated Driver Support Vehicle

means

means a Motor Vehicle operated by a Designated Driver for the purposes of assisting another Designated Driver in the provision of Designated Driving Services. (111-2015)
