1. Section 317(1) of the Act authorizes the Council, before the adoption of the estimates for the year, to pass a by-law levying on the whole of the assessment for real property according to the last revised assessment roll, a sum that is subject to certain restrictions, as set out in the Act.
2. It is necessary for the operation of the municipality in 2015 to provide for an interim tax levy as permitted by the Act.

NOW THEREFORE BE IT ENACTED AND IT IS HEREBY ENACTED as a by-law of The Corporation of the City of Oshawa, by its Council, as follows:

2. Levy: In order to provide money for the general purposes of the Corporation prior to the adoption of the estimates for 2015, there shall be levied by the Corporation sums equal to that which would be produced by applying the maximum rates set out in subsection 317(3) of the Act, or as set by Regulation pursuant to subsections 317(10) and 317(11) of the Act, to the whole of the assessment for all realty tax classes according to the last revised assessment rolls of the Corporation.
3. Where 2014 was a partial year only: For the purposes of calculating the total taxes in 2015, if any taxes were levied in 2014 for only part of the year because assessment was added to the assessment roll during 2014, an amount shall be added equal to the additional taxes that would have been levied if the taxes had been levied for the entire year.

4. Where property was non-rateable in 2014: Taxes shall be levied on a property that is rateable for local municipal purposes for 2015 even if the property was not rateable for local municipal purposes for 2014.
5. Collection: Notwithstanding the provisions of any previous by-laws of the Corporation or of The Corporation of the Township of East Whitby, which may have set the time for payment of rates, taxes and assessment, the taxes levied under this by-law shall be collected in two installments. The first installment is due on the 27th day of February 2015, and the second installment is due on the 30th day of April 2015. Notwithstanding the foregoing, all arrears of rates, taxes and assessments levied and imposed in any year prior to the current year (plus penalties and interest thereon) must be paid before any installment of the taxes for the current year is paid. Upon default in payment of any installment, the privilege of payment by installments shall be forfeited and the subsequent installment or installments shall immediately become payable.
6. Penalties/Interest: Any installment or part of any installment of taxes not paid on or before the day prescribed by section 5 of this by-law for payment of such installment shall be subject to a percentage charge which shall be added to and collected with the taxes and which shall be calculated as one and one-quarter per centum (1¼%) of such installment or part of such installment on the first day of default. Any installment or part of any installment of taxes not paid on or before the day prescribed by section 5 of this by-law for payment of such installment shall also be subject to an interest charge which shall be added to and collected with the taxes and which shall be calculated as one and one-quarter per centum (1¼%) of such installment or part of such installment on the first day of each calendar month thereafter in which default continues.
7. Part Payment: The Executive Director, Finance Treasurer and the Manager, Taxation and Revenue Services may accept part payment from time to time on account of any rates and assessments and may give a receipt for that payment. Notwithstanding the foregoing, acceptance of any part payment shall not affect the collection of the percentage charge imposed and collectable under section 6 of this by-law in respect of non-payment of any taxes or any installment of taxes.
8. Payment methods: The rates, taxes and assessments imposed by this by-law may be paid either in full or by installments, as provided by section 5 of this by-law, to the credit of the Treasurer of the Corporation at any Oshawa branch of any Chartered Bank of Canada or Trust Company.
