

Tangrams

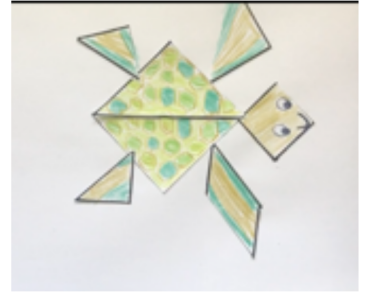

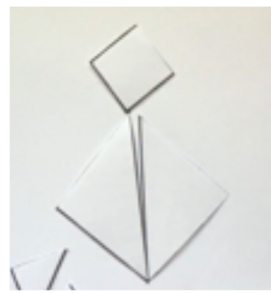

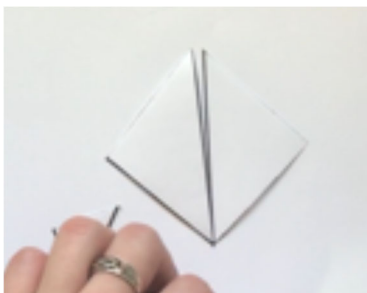

Fish

- 1) make a square with the triangles for the body,
- 2) Make fins with the triangles and parallelogram
- 3) Add a head with a triangle, and a tail with the square on a point!

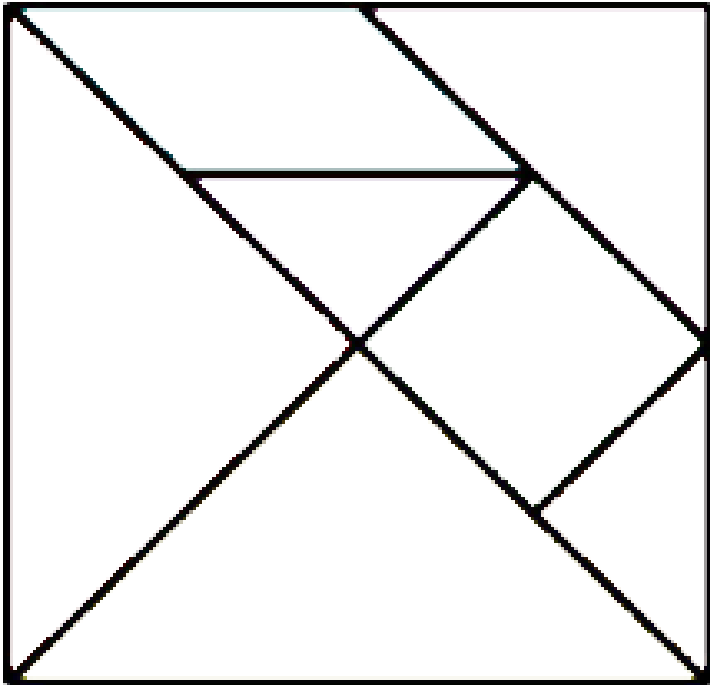

Turtle

- 1) use the 2 big triangles to create a diamond for the body
- 2) Add the square on a point for the head,
- 3) Use the remaining triangles and parallelogram for the legs.

See next page for a tangram template!

Tangrams
